

Italwax Miraveda scrubs are made of top quality 100% natural solid coconut oil, contain a natural vegetable oils complex and absolutely natural abrasive components. Natural coconut oil has a solid consistency when cold and turns soft and well-absorbable when it contacts the skin at 36.6 C.

Coconut oil coats abrasive fractures, providing a very delicate skin affection. Italwax Miraveda Scrubs are the perfect solution for salon skin care.

It can be used for massage procedures, spa manicure, spa pedicure, paraffin therapy, body wraps. Recommended for home use as well.

Product forms: scrub 250 ml / lotion 250 ml

#### SEA SCRUB with sea salt

Sea salt based scrub for feet care. The particles of minerals, microgranules of jojoba and sea salt carefully cleanse and eliminate pollution from the skin surface. They peel off the coarse feet skin very well. The natural oils of sunflower, jojoba, and shea butter nourish and smoothen the feet skin. It is suitable for deep peeling of skin on the feet and the whole body. It gives smoothness, a healthy glow and cared-for appearance to the skin.

Italwax Miraveda  
is a line of  
professional scrubs  
and lotions

#### TROPIC SCRUB with coconut powder

An active scrub for skin care. An excellent product for eliminating peeling and leveling of the upper skin layer. It contains tiny particles of coconut shell and coconut oil for skin cleansing and moistening.

#### COCONUT LOTION with coconut milk

Active lotion for skin care. Thanks to the enriched composition it perfectly moisturizes the skin, eliminates dryness and skin flaking. Due to the content of natural coconut milk, it deeply nourishes the skin and leaves a sweet aroma of coconut.

## V SCRUBS - How to use

Apply the necessary amount of scrub to moist skin and wait 10-20 seconds to for it to soften, then spread it over with light massaging movements. Rinse with warm water.

If you want to quickly warm up the scrub, place a closed jar under a stream of hot water.

### CITRUS SCRUB with lime oil

A mild scrub for skin care. It contains tiny particles of mineral salts and sugar which gently exfoliate the skin and eliminate keratinized cells. Citrus essential oils tonify the skin and give a light scent. The scrub deeply moistens and nourishes the skin thanks to the active effect of natural oils of sunflower, jojoba, shea butter.

### CITRUS LOTION with lime oil

A gorgeous lotion for permanent skin care. It contains active ingredients: natural sunflower, jojoba, shea oils, which deeply moisturize and nourish the skin. Used regularly, smoothes wrinkles and even the skin tone. The lotion is vanished quickly not leaving a greasy effect. Citrus essential oils tone up and ordorise skin with a pleasant aroma.

### ALMOND SCRUB with almond oil

Delicate body scrub formulated with 100% natural solid coconut oil. When applied to the skin, the scrub melts, becomes soft and easily to spread over. The smallest particles of sea salt and sugar gently cleanse, exfoliate skin cells and eliminate all impurities from its surface. The combination of coconut oil, sweet almond oil, shea butter and vitamin E moisturizes and nourishes the skin, has a regenerative and antioxidant effect.

### ALMOND LOTION with almond oil

Moisturizing lotion for skin care. It consists of a great combination of sweet almond, sunflower, jojoba oils, Shea butter and vitamin E. Lotion actively moisturizes and nourishes the skin, has a regenerating and antioxidant effect. Ideal for excessively dry and weather-beaten hands skin.
